Eligibility:

- This program is available to any Oklahoma Natural Gas current or prospective customer or builder.
- Rebates are limited and issued on a first-come, first-served basis until program funds are depleted.
- The customer is responsible for the full cost and installation of the natural gas heating system.
- The rebate is for the purchase and installation of a new, natural gas heating system in a new or existing individually metered residential home.
- Only natural gas heating systems purchased after the program implementation date will be considered for the rebate.
- To be eligible for a rebate, the customer must have an active Oklahoma Natural Gas account.

Important Information:

Rebates may be available to any Oklahoma Natural Gas current or prospective customer. Only qualified natural gas equipment purchased, installed or serviced after September 14, 2011, will be considered for a rebate. Oklahoma Natural Gas encourages each customer to review all program eligibility requirements.

Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds. Completed applications will be reviewed and processed by Oklahoma Natural Gas on a first-come, first-served basis until program funds are depleted.
