

NATURAL GAS WATER HEATER REPLACEMENT PROGRAM

Rebates Available:

\$50 rebate for the purchase and installation of a natural gas water heater with energy factor of .67 or higher

\$250 rebate for the purchase and installation of a natural gas tankless or condensing water heater with energy factor of .82 or higher

\$850 rebate for the purchase and installation of an electric to natural gas water heater conversion with energy factor of .67 or higher

How To Get Your Rebate:

1. Review program eligibility and requirements. Purchase a new natural gas water heater with the appropriate energy factor.
2. Installer completes natural gas water heater installation. Installer must comply with all applicable safety and code requirements.
3. Rebate application must include an Energy Star Energy Factor Rating available at:

- http://www.energystar.gov/index.cfm?fuseaction=gas_storage.display_products_html
- http://www.energystar.gov/index.cfm?fuseaction=gas_tankless.display_products_html

4. Mail the completed application, natural gas water heater purchase receipt and installation invoice within 90 days after the date of installation to:

**Oklahoma Natural Gas
Energy-Efficiency Program
P.O. Box 401
Oklahoma City, OK 73101-0401**

Eligibility:

- This program is available to any Oklahoma Natural Gas current or prospective customer or builder.
- Rebates are limited and issued on a first-come, first-served basis until program funds are depleted.
- The customer is responsible for the full cost and installation of the natural gas water heater.
- The rebate is for the purchase and installation of a new, natural gas water heater in a new or existing individually metered residential home.
- Only natural gas water heaters purchased after the program implementation date will be considered for the rebate.
- To be eligible for a rebate, the customer must have an active Oklahoma Natural Gas account.

Important Information:

Rebates may be available to any Oklahoma Natural Gas current or prospective customer. Only qualified natural gas equipment purchased, installed or serviced after September 14, 2011, will be considered for a rebate. Oklahoma Natural Gas encourages each customer to review all program eligibility requirements.

Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds. Completed applications will be reviewed and processed by Oklahoma Natural Gas on a first-come, first-served basis until program funds are depleted.
