

**RATE SCHEDULE 200-LCI - 2009**  
**LARGE SALES**  
**(150 Dth but less than 5,000 Dth annually)**

**Availability**

Natural gas service under this rate schedule is available to individually metered non-residential Customers whose annual consumption was 150 dekatherms (Dth) but less than 5,000 Dth during the previous twelve (12) consecutive months. Each July the Company will determine the prior twelve (12) month's consumption and the Customer's placement within the rate schedules shall be adjusted accordingly, if necessary, effective with the August consumption month and coinciding September billing cycle. This determination shall be valid until the next determination is made.

Such service shall be provided at any point on Company's system where adequate capacity and gas supply exists, or where such capacity and gas supply can be provided in accordance with the rules of the Oklahoma Corporation Commission and at a reasonable cost as determined by the Company in its sole opinion or on the system of another pipeline with respect to which the Company has an agreement with such pipeline or is taking gas pursuant to a tariff for such service but only to the extent that: (1) the meter for such customer exists as of the effective date of this tariff; (2) service is required by operation of law; (3) service is agreed to by such pipeline. Under this tariff the Company performs or causes to be performed all functions necessary to transport the gas commodity from the Point of Receipt to the end use Customer. For Customers under an existing contract, this tariff shall only apply upon termination of such contract.

Gas service is not available under this rate schedule for resale to others.
