

RATE SCHEDULE 101-V RESIDENTIAL GAS SERVICE – VOLUNTARY FIXED PRICE PROGRAM

Availability

Customers who subscribe for service under this tariff shall remain under this tariff for the entire fiscal year period in which this program is offered, beginning in November of the current year and ending in October of the following year. Additionally, customers under this tariff will utilize the Company's Temperature Adjustment Clause (TAC) and are not eligible to opt out of TAC as provided in Tariff 1141, Section 2 while enrolled in the Voluntary Fixed Price (VFP) Program. Customers are required to re-subscribe to the program each year, provided that the VFP Program continues to be offered. Customers not specifically electing to continue under the VFP Program will revert back to their applicable tariff.

Natural gas service under this rate schedule is available to any individually metered single family residential customer for domestic uses at any point on the Company's system. Natural gas service under this tariff is also available to any individually metered single family residential customer for domestic uses at any point on the system of another pipeline with respect to which the Company has an agreement with such pipeline or is taking gas pursuant to a tariff for such service but only to the extent that: (1) such single family residential meter exists as of the effective date of this tariff; (2) service is required by operation of law; or (3) service is agreed to by such other pipeline.

This tariff shall also be available for individually metered two-family dwellings when the customer meets the following two (2) criteria: (1) The customer is responsible for payment of the bill; and (2) The customer is an occupant of one of the two dwellings served by the single meter. This rate shall not be available for any 3-(or more)-family dwellings served by one meter. The Company shall have the right to determine and confirm from time to time that the customer meets the criteria

contained herein. Denial of access to the property to determine compliance with such criteria shall constitute grounds for denial of service pursuant to this tariff. Gas service under this tariff is available for compressed natural gas facilities installed by the residential customer to serve their motorized vehicles.

Gas service is not available under this rate schedule for resale to others or for standby service.

Rate Choices

The charge for recorded consumption of gas at one point of delivery in any month is as follows:

	<u>Service Charge</u>	<u>Delivery Fee</u>
For Rate Choice A	\$21.38	\$4.28020 per Dth
	<u>Service Charge</u>	<u>Delivery Fee</u>
For Rate Choice B	\$39.23	\$0.00000 per Dth

Customer Option Placement

Each customer's individual rate schedule will be determined based on the annual normalized volume at the customer's service location for the twelve (12)-month period ending on November 30, 2009. If the customer's service location's annual normalized volume is less than 50 Dth, then the customer's account will be placed on Option **A**.

If the customer's service location's annual normalized volume is 50 Dth or greater, then the customer's account will be placed on Option **B**.

An anticipated annual normalized usage level assessment will be conducted on each new service and for existing service as of December 31, 2009 that has less than twelve (12) months of service. The result of this assessment will decide the initial placement of the new account.

A customer may switch options at any time during the year provided that the customer agrees to remain on the alternative rate choice for a period of no less than twelve (12) months after switching options.

Note: Meter readings will be recorded in hundreds of cubic feet (.1 Mcf) or multiples thereof.
