Section 5 – True-Up

The WESCR Mechanism shall be Trued Up and reconciled semi-annually through a submission to the Public Utility Division (“PUD”) of the Oklahoma Corporation Commission. Oklahoma Natural Gas shall receive periodic information from the Oklahoma Development Finance Authority (“ODFA”) in order to perform this True-Up and reconciliation. Oklahoma Natural Gas will provide the updated rates as well as supporting calculations within 30 days of receipt of this information with rates to be effective the first billing cycle the month following the True-Up. PUD shall have 30 days to complete its review before updated rates begin billing. Submission dates and timing of applicable rates may vary subject to the timing of information from the ODFA. A final True-Up will occur at the end of the recovery period to ensure that only the amount of bond proceeds the Company received, as well as related interest and ongoing financing costs, have been

collected from those customers identified in Section 2.

This final True-Up, resulting in either a customer over or under collection may occur through the Company's Purchased Gas Adjustment Clause (PGA) or as a line item on the customer bills.

If the current customer count for any tariff shown in Section 2 declines by more than 10% from the customer count used to determine the current allocation in Section 2, then the allocation in Section 2 will be re-calculated using the most recent 12 months normalized volume.
