

Natural Gas Clothes Dryer Program

Rebates Available:

Up to \$400 in rebates for the purchase and installation of a new natural gas clothes dryer.

Up to \$450 in rebates for the purchase and installation of a new ENERGY STAR® certified natural gas clothes dryer.

How To Get Your Rebate:

1. Review program eligibility and requirements. A list of ENERGY STAR® certified clothes dryers is available at www.energystar.gov/productfinder.
2. Purchase a new natural gas clothes dryer.
3. Installer completes natural gas dryer installation. Installer must comply with all applicable safety and code requirements.
4. Mail the completed application and natural gas dryer purchase receipt within 90 days after the date of installation to:

Oklahoma Natural Gas
Energy-Efficiency Program
P.O. Box 401
Oklahoma City, OK 73101-0401

Eligibility:

- This program is available to any Oklahoma Natural Gas current or prospective customer or builder.
- Rebates are limited and issued on a first-come, first-served basis until program funds are depleted.
- The customer is responsible for the full cost and installation of the natural gas clothes dryer.
- The rebate is for the purchase and installation of a new natural gas clothes dryer in a new or existing individually metered residential home.
- To be eligible for a rebate, the customer must have an active Oklahoma Natural Gas account.
- Limited to one per customer.

Important Information:

Rebates may be available to any Oklahoma Natural Gas current or prospective customer. Only qualified natural gas equipment will be considered for a rebate. Oklahoma Natural Gas encourages each customer to review all program eligibility requirements.

Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds. Completed applications will be reviewed and processed by Oklahoma Natural Gas on a first-come, first-served basis until program funds are depleted.
