

Natural Gas Heating-System Program

Rebates Available:

- \$550 rebate for the installation of a new 95%+ efficient natural gas furnace or boiler.
- \$1,950 rebate for replacing an electric resistance furnace with a new natural gas furnace.
- \$1,950 rebate for replacing an electric heat pump with a new natural gas furnace and air conditioner.
- \$2,500 rebate for replacing an electric resistance furnace with a new 95%+ efficient natural gas furnace.
- \$2,500 rebate for replacing an electric heat pump with a new 95%+ efficient natural gas furnace and air conditioner.

How To Get Your Rebate:

1. Choose an Oklahoma-licensed contractor to install your new home-heating equipment.
2. Review program eligibility and requirements with your contractor.
3. Contractor installs the new equipment.
4. Submit the completed application, AHRI Certificate of Product Ratings, new equipment purchase receipt, and invoice from your contractor within 90 days after the date of installation to:

Oklahoma Natural Gas
Energy-Efficiency Program
P.O. Box 401
Oklahoma City, OK 73101-0401

Eligibility:

- This program is available to any Oklahoma Natural Gas current or prospective customer or builder.
- Rebates are limited and issued on a first-come, first-served basis until program funds are depleted.
- The customer is responsible for the full cost and installation of the natural gas heating system.
- The rebate is for the purchase and installation of a new natural gas heating system in a new or existing individually metered residential home.
- Only natural gas heating systems purchased after the program implementation date will be considered for the rebate.
- To be eligible for a rebate, the customer must have an active Oklahoma Natural Gas account.

Important Information:

Rebates may be available to any Oklahoma Natural Gas current or prospective customer. Only qualified natural gas equipment will be considered for a rebate. Oklahoma Natural Gas encourages each customer to review all program eligibility requirements.

Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds. Completed applications will be reviewed and processed by Oklahoma Natural Gas on a first-come, first-served basis until program funds are depleted.
