

# Get an extra \$100 dryer rebate

This September, spend less on laundry and more on the moments that matter with the performance of a natural gas clothes dryer and rebates from the Oklahoma Natural Gas Energy Efficiency Program.

Get an **extra \$100 rebate** in addition to one of the rebates below when you purchase a new energy-efficient natural gas clothes dryer from any Oklahoma retailer online or in-stores Sept. 1 – Sept. 30, 2020.

- **Up to \$400** in rebates for the purchase and installation of a new natural gas clothes dryer
- **Up to \$450** in rebates for the purchase and installation of a new ENERGY STAR® certified natural gas clothes dryer
