

Giving for Greenwood Toolkit – OGS

SUBJECT LINE: Greenwood District Projects Receive \$425,000 Donation from ONE Gas Foundation

As a key partner of ONE Gas, we know you work to ensure your audience is up to date with helpful information. We want to inform you about a \$425,000 donation from the [ONE Gas Foundation](#), which will support education programs, public space improvements and other projects in the historic Greenwood District in Tulsa.

The grants are leading up to the centennial observance of the 1921 Tulsa Race Massacre, which took place on May 31 and June 1, 1921, and are focused on creating a lasting impact on future generations.

Organizations receiving grants include:

- [1921 Tulsa Race Massacre Centennial Commission](#) - Greenwood Rising History Center
- [Greenwood Cultural Center](#) - Black Wall Street Memorial
- [Urban Coders Guild](#) - STEM education program

We'd love for you to share this information! Below, please find a link to our social media post where we announce this donation. We've also provided sample social copy for you.
