VOLUNTARY FIXED-PRICE PLAN

LOCK IN YOUR NATURAL GAS PRICE

As an Oklahoma Natural Gas customer, you can enroll in our Voluntary Fixed-Price Plan and lock in the price you pay for your natural gas over the next year, allowing you to budget for gas costs each month with greater accuracy.

The price you pay for the natural gas you use each month is the average cost for the gas we've purchased under a variety of contracts. The cost-of-gas portion of your bill varies each month based on how much you use and what we paid for that supply.

We've already bought a portion of our winter natural gas supply at fixed prices, so we know its cost. We're making that natural gas available to those who wish to enroll in the Voluntary Fixed-Price Plan at \$3.348 per Dekatherm for the 12-month period beginning November 1, 2019. The price only applies to the cost of the natural gas itself. Regular service and delivery charges apply, and your bill will still vary according to the amount of natural gas you use.

If you enroll in the Voluntary Fixed-Price Plan, you could pay more or less than customers who do not enroll in the plan. The plan does not guarantee savings; it is intended to protect customers from the occasional swings in natural gas prices.

Enroll online at www.OklahomaNaturalGas.com, call us at 1-800-664-5463 or fill out the enrollment form on the back of this newsletter and return it with your payment. The deadline to participate is October 18, 2019. The number of customers who can sign up is limited – so don't wait, sign up today.

VOLUNTARY FIXED-PRICE PLAN TERMS:

- Customers must enroll for the entire 12-month period and, once enrolled, cannot be removed from the program until the next enrollment period. Customers who were previously enrolled in the Voluntary Fixed-Price Plan must re-enroll each year.
- During the plan period, enrollees will pay a fixed price of \$3.348 per Dekatherm of natural gas used.
- If you move within the Oklahoma Natural Gas service area during the plan period, your enrollment transfers to the new service location.
- Voluntary Fixed-Price Plan enrollees may not opt out of the Temperature Adjustment Clause.*
- Small commercial customers (businesses using 150 Dekatherms or less annually) must also enroll in the Automatic Bank Draft Plan to be eligible for the Voluntary Fixed-Price Plan.

* *The Temperature Adjustment Clause is a means of adjusting a portion of your bill to reflect normal weather conditions from November through April each year to stabilize your bills.*
