

RATE SCHEDULE 102
SPECIAL LOW INCOME RESIDENTIAL GAS SERVICE

Availability

Natural gas service under this rate schedule is available only to those individually metered single family residential customers who are qualified by the Department of Human Services (DHS), and who are certified to Oklahoma Natural Gas by the DHS annually for payments under the federally funded Low Income Home Energy Assistance Program (LIHEAP). Gas sold under this rate schedule is for domestic uses at any point on the Company's system. Natural gas service under this tariff is also available to any individual metered single family residential customer who is qualified by DHS and who is certified to Oklahoma Natural Gas by the DHS annually for payments under the federally funded Low Income Home Energy Assistance Program (LIHEAP) that is on the system of another pipeline with respect to which the Company has an agreement with such pipeline or is taking gas pursuant to a tariff for such service but only to the extent that: (1) such single family residential meter exists as of the effective date of this tariff; (2) service is required by operation of law; or (3) service is agreed to by such other pipeline.

This tariff shall also be available for individually metered two-family dwellings when the customer meets the following two (2) criteria: (1) The customer is responsible for payment of the bill; and (2) The customer is an occupant of one of the two dwellings served by the single meter. This rate shall not be available for any 3-(or more)-family dwellings served by one meter. The Company shall have the right to determine and confirm from time to time that the customer meets the criteria contained herein. Denial of access to the property to determine compliance with such criteria shall constitute grounds for denial of service pursuant to this tariff.

Gas service is not available under this rate schedule for resale to others or for standby service.
