

## **RATE SCHEDULE 200-SCI-V SMALL SALES – VOLUNTARY FIXED PRICE PROGRAM**

**(Less than 150 Dth annually)**

### **Availability**

Customers who subscribe for service under this tariff shall remain under this tariff for the entire fiscal year period in which this program is offered, beginning in November of the current year and ending in October of the following year. Additionally, those customers under this tariff will utilize the Company's Temperature Adjustment Clause (TAC) and are not eligible to opt out of TAC as provided in Tariff 1141, Section 2 while enrolled in the Voluntary Fixed Price (VFP) Program. Customers are required to re-subscribe to the program each year, provided that the Program continues to be offered. Customers not specifically electing to continue under the VFP Program will revert back to their applicable tariff. Customers who subscribe for service under this tariff are required to make payment by automatic bank draft.

Natural gas service under this rate schedule is available to individually metered non-residential Customers whose annual consumption was less than 150 dekatherms (Dth) during the previous twelve (12) consecutive months.

Such service shall be provided at any point on Company's system where adequate capacity and gas supply exists, or where such capacity and gas supply can be provided in accordance with the rules of the Oklahoma Corporation Commission and at a reasonable cost as determined by the Company in its sole opinion, or the system of another pipeline with respect to which the Company has an agreement with such pipeline or is taking gas pursuant to a tariff for such service but only to the extent that: (1) the meter for such customer exists as of the effective date of this tariff; (2) service is required by operation of law; or (3) service is agreed to by such pipeline. Under this tariff the Company performs or causes to be performed all functions necessary to transport the gas commodity from the Point of Receipt to the end use Customer.
