

Energy Efficiency Rebate Program

2024
**ANNUAL
REPORT**

**Oklahoma
Natural Gas**
A Division of ONE Gas

Smarter Energy. Greener Communities.

Our rebate programs help customers across Oklahoma make smarter energy choices throughout their homes that will benefit them — and their communities — for years to come. For every dollar spent, customers see over \$3.75 in benefits.

24,413

Rebates Awarded

\$11,555,415.66
